Mobile: +91 – 9032805118   **Portfolio:** thughari.github.io/portfolio

CAREER OBJECTIVE:

Driven Full Stack Developer committed to transforming ideas into seamless digital experiences. Seeking a challenging position in an innovative company to leverage my passion for technology and creativity. Dedicated to continuous learning, I aspire to contribute significantly to cutting-edge projects and exceed expectations in every endeavor.

PROFESSIONAL EXPERIENCE:

Full Stack Developer
Tata Consultancy Services (TCS)
August 2022 - Present

- **Creating User-Friendly Websites:** Engineered websites for intuitive usability and appealing aesthetics, ensuring a seamless user experience.

- **Designing Interfaces:** Created appealing and practical website designs that are both visually engaging and highly functional.

- **Backend Enhancement:** Enhanced backend systems for improved website speed and reliability, ensuring efficient data management and processing.

- **Enhancing Existing Projects:** Improved the performance of existing websites by optimizing both frontend and backend components, introducing new features, and elevating overall functionality.

- **Client Collaboration:** Collaborated closely with clients, comprehending their requirements, and translating their visions into fully functional websites.

- **Team Synergy:** Worked harmoniously with diverse teams, promoting effective communication and ensuring seamless collaboration to build top-tier websites.

- **Quality Assurance:** Conducted rigorous website evaluations to guarantee reliability, security, and swift loading times, delivering superior-quality websites to clients.

In my capacity as a Full Stack Developer, I focus on developing user-friendly websites while optimizing both frontend and backend elements.

TECHNICAL SKILLS:

- **Java**
- **Spring Boot**
- **Angular**
- **HTML/CSS**
- **Rest APIs**
- **Java Script**
- **SQL**
- **Python Programming**

PROJECTS:

LINE FOLLOWER ROBOT (Mini Project):

Description: Developed an intelligent robot guided by algorithms, showcasing precision and problem-solving skills.

VOICE ASSISTANT WITH PYTHON:

Description: Engineered a responsive voice assistant, demonstrating the fusion of human-machine interaction and artificial intelligence.

GitHub Repository: **Voice-Assistant**

MULTIBAND MIMO ANTENNA:

Description: A Multiple Input and Multiple Output antenna with reduced mutual coupling of dimensions 4x4, can be used to transmit and receive the multi bands without any interference by the other channels.

NATIONAL SCHOLARSHIP PORTAL USING JAVA FULL STACK:

Description: Led the development of a comprehensive scholarship portal, integrating backend technologies like Java, Spring Boot, and MongoDB with frontend technologies including Angular and HTML5/CSS.

GitHub Repository: Frontend, Backend

EDUCATIONAL QUALIFICATIONS:

- **Bachelor of Tech (Electronics and Communication Engineering)**
  St. Ann's College of Engineering & Technology, JNTUK
  Year of Passing: 2022 | CGPA: 7.2

- **Intermediate**
  Sri Gowthami Jr. College, BIEAP
  Year of Passing: 2018 | Percentage: 91.4%

- **SSC**
  P V U S ORI High School, STATE BOARD(BSEAP)
  Year of Passing: 2016 | Percentage: 9.2

STRENGTHS:

Innovation: Enthusiastic innovator with a keen eye for emerging technologies and trends.

Adaptability: Quick learner, open to new challenges and technologies, committed to continuous self-improvement.

Problem-Solving: Creative problem solver with a focus on elegant and effective solutions.

Team Player: Collaborative and eager to contribute positively to team dynamics.

HOBBIES:

- **Tech Exploration:** Enthusiastic about exploring new technologies, software, and gadgets, showcasing a passion for staying updated with the latest advancements in the tech industry.

- **Coding:** Dedicated to coding and software development, continually enhancing programming skills and exploring innovative solutions to complex problems.

- **Traveling:** Passionate traveler, exploring different cultures and cuisines, fostering adaptability, open-mindedness, and an appreciation for diverse perspectives.
